# WORKSHOPS

## **STRENGTH THROUGH SURRENDER**

*Dr Kelvin Sun is a husband, a father to two beautiful children, and works as a GP anaesthetist. He loves God and loves to serve Him in whatever God calls him to. He is passionate about families, parenting and workplace ministry.*

## **MORE OF GOD AND LESS OF ME**

*Dr Caris Chong is a mother and an Advanced Trainee in Radiation Oncology. Currently working at SCGH, she felt called to medicine after her mother was successfully treated for breast cancer. She serves faithfully at Church on Higher Ground, is happily married with a very active 3 year old boy.*

## **HOW TO MAINTAIN HUMILITY AS A CHRISTIAN HEALTHCARE WORKER**

*Dr Stephen Richards is a renal and general physician at JHC. He grew up in a catholic family but turned away from God while at university in the pursuit of a free and empirical life. Fortunately God rekindled his faith and taught him that a belief in God is entirely rational and indeed necessary for a free and happy life. Trust in God helps him deal with the risk and uncertainty of practicing medicine.*

## **BURNOUT AND SELF-CARE IN HEALTHCARE**

*Dr Yee-Ling Kuok is a Christian psychiatrist, a committed Christian and is an active member of a local non-denominational church. In 2015 she also completed an Advanced Diploma of Christian Counselling. Her goal is to see people achieve wholeness in all aspects of their lives. She prefers to work with patients holistically – looking at the interplay of body, soul and spirit.*

## **MONEY AND MY WORK**

*Dr Jason Lim is a UWA graduate, trained locally and completed his fellowship in Liverpool, UK. He is an ophthalmologist. He has a wife and four children and his practices are in SJOG Murdoch, Armadale and Mandurah. He also work at Fremantle Hospital. He loves Jesus and by His grace is who he is today.*
