An invitation to everyone - students, junior graduates, graduates and senior members and friends - for our first event of this year on Saturday February 8 in the afternoon from 2 to 5 pm.

The aim is to start the year with an encouraging time of fellowship being updated on how people are progressing in their plans and journey as Christian medicos/dentists for 2020 and showcasing a segment on the Saline taster where we will be briefed on the motivation and tools in reaching out to patients with the gospel.

There may also be a medical mission talk, and certainly opportunity for sharing and praying for one another.
